Adam – Methuselah – Noah – Abraham = the first 2,123 years of the earth.

Following Abraham it was Isaac – Jacob – Then from Joseph to Moses there would have needed to be leaders among the children of Israel to pass on the information from Joseph to Moses, so that Moses would have had resources from which to draw the account of Creation and the Flood.

Of course – “*Holy Men of God Spoke as they were carried along by the Holy Spirit.*” (II Peter 1:19-21)
